
LETTER TO THE BOARD

March 22, 2013

To: Deb Thomas, dthomas@nemont.net
Beartooth Electric Cooperative Communications Committee

Hi Deb,

I just wanted to thank you for helping to organize the BEC meeting here in Clark. For the first time I felt like I was a part of BEC and a true member as opposed to meetings under the previous board where I felt like an outsider. The information flowed freely as opposed to previous “tight lipped” meetings. I appreciated the board members and the BEC attorney taking the time to come to Clark to give us this important information. It was presented in a way that I could understand it. I also thought it was wonderful of them to take questions for as long as they did. Maybe the meeting went a little longer than what they wanted it to but I thank everyone for taking the time to answer questions that are very important to all BEC members especially with the bankruptcy looming ahead of us. I would appreciate it if you could pass my thanks along.

Take care!
Nancy McCoy
